To Whom It May Concern:

I am pleased to write this letter of recommendation for Mason Whatley. Mr. Whatley worked for me during the summer of 2015 as an Information Technology Student. I was his direct supervisor at the Rainy River District School Board.

While Mr. Whatley was employed by the Rainy River District School Board, he assisted in the instalation and deployment of new wireless infrastructure and devices.

Mr. Whatley is a hard-working individual who knows how to get the job done quickly and effectively. He works well as a part of a team and can function as a leader when required. He has always exhibited superior communication skills and gets along well with staff and supervisors.

Mr. Whatley would be a valuable addition to any company he chooses to join, and I have no hesitation in recommending him highly.

Sincerely,

Stephen Danielson, Manager of Information Technology Services
